?19?

??

??

??

??

A grid of 80 boxes arranged in 4 rows and 20 columns, intended for writing the number 100000000000000000000.

?20?

??

??

The diagram shows two horizontal bars. The top bar is a single continuous rectangle divided into 20 equal segments, representing 100%. The bottom bar is a single continuous rectangle divided into 10 equal segments, representing 50%.

??

??

??

A grid of 80 boxes arranged in 4 rows and 20 columns, intended for writing answers.

??

A handwriting practice sheet with 15 rows of boxes. The first 14 rows are full-width, and the 15th row is half-width. Each row contains 20 boxes. The first 14 rows are for writing practice, and the 15th row is for a final check.

A grid of 10 rows and 30 columns of empty boxes for handwriting practice. The boxes are arranged in a rectangular grid, with each row containing 30 boxes and each column containing 10 boxes. The boxes are empty and have a thin black border.

??

??

[illegible]

??

??

A handwriting practice sheet featuring 12 rows of boxes. The first row contains the lowercase alphabet (a-z). The subsequent 11 rows are empty for practice.

36

??

??

??

??

A grid of 10 rows of empty boxes for writing. Each row contains 20 boxes. The first row has a small red dot in the 10th box. The last row is shorter, containing only 12 boxes.
